 I-RUNNER

CHAPLIN COMFORT (MEN)

Sole

Upper

Lightweight & comfortable, wear-anywhere orthopedic shoe, the Chaplin Comfort offers a style that looks great on everyone.

Ideal for casual walking, doing errands or just lounging around the house. Every step you take will be in comfort with the Chaplin Comfort shoe.

Sizes: 7.5* - 12, 13*, 14*, 15*

*Special Order

ELIZA COMFORT (WOMEN)

Sole

Upper

The perfect, wear-anywhere shoe, the Eliza Comfort offers a style that looks great on everyone. They are lightweight and comfortable.

Ideal for casual walking, doing errands out or just lounging around the house. Every step you take will be in comfort with the Eliza Comfort shoe.

Sizes: 6 - 10.5*, 11*

*Special Order

MIYA COMFORT (WOMEN)

LIMITED SIZES AVAILABLE IN STOCK

Sole

Upper

The elegant and chic Miya women's casual orthopedic shoe will keep you in comfort whether you're standing for hours at a time walking. With its double padding, the Miya hugs the heel more comfortably and prevents it from slipping up and down and out of the shoe.

It offers plenty of toe wiggle room and the outsole has a composite shank to help prevent foot roll.

Sizes: 6 - 10.5*, 11*

**Special Order*

NON-SLIP PRO LEATHER (MEN & WOMEN)

Sole

Upper

Crafted from a leather upper, the Non-Slip Pro Leather will allow you to not only walk in comfort but safely as well. The state-of-the-art anti-slip sole provides traction on a variety of surface types, oil included.

Protect against slips, trips and falls with these non-slip orthopedic shoes. Perfect for employees in healthcare, hospitality & food service, security, police and fire departments. **Recommended for indoor use.**

Men: 5.5* - 7.5* - 12, 13*, 14*, 15*

Women: 6 - 12.5, 13.5, 14.5, 15.5 (*All Sizes)

**Special Order*

PIONEER VELCRO (MEN & WOMEN)

Sole

Upper

The Pioneer Velcro closure allows for you to easily put on and take off these shoes. With its mesh and microfiber upper, combined with the Velcro strap closure the Pioneer orthopedic shoe is on a level on its own.

This lightweight and airy shoe offers plenty of toe wiggle room and the outsole has a composite shank to help prevent foot roll.

Men: 8 - 12, 13*, 14*, 15*

Women: 7-11 (*All Sizes)

**Special Order*

EXPLORER TRAILWALKING* (MEN & WOMEN)

Sole

Upper

When your daily walks take you to more off-road locations, these are great shoes to wear. The perfect choice for those requiring orthopedic footwear with its extra padding, wide toe box and arch support. The Explorer Trailwalking shoes will help prevent blisters and calluses.

The Explorer Trailwalking also features an all-terrain sole and bungee closures.

Men: 5.5 - 12, 13, 14, 15

Women: 6 - 12.5, 13.5, 14.5, 15.5

**This Style is Special Order*
